Trader's Information Pack - 2020

The Chester Vegan Market is a free one-day outdoor event filled with up to 50 stalls selling a huge variety of vegan food, clothes, drinks and cosmetics alongside charity and information stalls. The two events in 2019 were huge successes and both were very well attended. At each event in 2020 we expect to attract an audience of up to 1500 directly in addition to the high footfall the city centre experiences on any given Saturday.
